

Planning committee responsibilities

National planning committee

Members of the national planning committee will be asked to participate in **one** or more of the following ways:

- Represent a sponsoring company or organization.
- Lead a local or regional group organizing an activity for CSPW.
- Review content for the national CSPW initiative (SME Review Committee).
- Solicit sponsorships for the national CSPW initiative (Sponsorships and Funding Committee).
- Provide translations for CSPW content (Translations Committee).
- Pack orders for CSPW items – Kansas City only (Order Fulfillment Committee).

Additionally, planning committee members will be asked to participate in all of the following ways:

- Attend at least 50% of monthly planning meetings (second Wednesday of the month at 10 a.m. Central).
- Share information about the CSPW initiative on social media, by email, in newsletters, on organizational websites or in whatever manner the committee member has access to help promote the initiative.
- Be passionately committed to saving lives and reducing the rate of suicide in the construction industry.

Members of the CSPW National Committee will be listed on the CSPW website, beginning in 2023. Members will serve a year at a time, but everyone will be able to renew their service on the planning committee annually by fulfilling the above responsibilities.
